Dear Mr. Dabelstein:

We are glad to acknowledge receipt of your letter, that you heard WYXI Sign On the air, the morning of November 3rd.

Your wording of our opening is correct, therefore acknowledgement is this letter, saying that I too enjoy tuning the AM & SW bands, and have quite a few Veries on the wall at home.

Thank you very much for your interest. Congratulations on such a nice receiver as well. Have a happy holiday season.

Very truly yours,
