Dear Mr. Dabelstein,

This will confirm your reception of KAWA Radio from 5:39 P.M. to 5:45 P.M. Central Standard Time on January 31, 1972.

Your logging of our programming is correct.

Thank you for your letter. It is always interesting when we hear of reception in your general area due to the Little rock, St. Louis, and Toronto stations on 1010.

Sorry for the delay. I've only been with this station a short time and am a little behind in this area.

Sincerely,

Joe Galloway  
Chief Engineer
