Mr. Dabelstein,

We appreciate your letter stating that you had reception that far out of our broadcast range. We always enjoy adding a new listener. As far as the details of your report are correct except at 5:35 you seemed to pick up a spanish station that is on the same frequency as we are. Our format is "Southern Gospel" and at this time we broadcast from 6:00AM - 8:00PM.

As far as the delay to reply to your letter, KDFT has undergone a management change since Dec. 21, 1988., but we always enjoy hearing from our listeners.

Thank You,

Larry Peters
General Manager, KDFT
