Dear Carl:

This will verify your reception report on KRGV Radio on November 18, 1976 from 9:10PM to 9:20PM CST. Weather forecast 9:10, Sears commercial, Cinema Southwest movie "2 Minute Warning" all at 9:11 break, then 9:12 recorded rock music and then a commercial break at 9:18PM with Coca Cola and KRGV ID jingle. The place of reception was Overland Park, Kansas. Signal Strength S-5; good signal. Interference several unidentified stations.

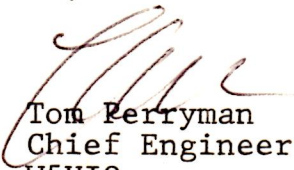

KRGV Radio is a full time station operating on 1290 KHZ, with 5000 watts of power. We operate during the hours of daytime non-directional, and during the hours of night time we operate a 3 tower array, with the main lobes beamed West and East by Southwest.

We operate an RCA Transmitter and Gates studio equipment. We are on the air Tuesday through Sunday signing off at Sunday midnight for maintenance and Sign on at 5AM Mondays.

We are enclosing a Coverage Map.

Many thanks for your report and the best of DX to you.
