Dear Mr. Dabelstein,

I greet you in the name of the Lord. Hoping that as you receive this letter, you and your entire family are blessed.

I am responding to your letter from Feb. 4, 1990, in which you state your reception of our AM signal (KUBR 1210).

You must have a powerful radio. We appreciate you. We would be honored to be added to your collection of 2,400 AM stations.

In HIS Service,
