Dear Mr. Dabelstein:

Thank you for your letter. I'm sorry for the delay in replying, however, our station has had a change in ownership and there has been quite a bit of confusion lately.

According to our logs, you did indeed monitor our station on October 24, 1981. Thank you for your interest.

Under our new management, KUKA will broadcast religious music and programs, in both English and Spanish.

It's good to hear from our out-of-state listeners! Let me wish you many hours of DXing enjoyment in the future. You certainly have logged a tremendous number of Broadcast Stations, which indicates true dedication to your hobby!

Very truly yours,
