Dear Mr. Dabelstein,

This is to verify your reception of KYKR AM, on 1 - 21 - 78, from 5:40 P.M., to 5:45 P.M. CST, at 1510000 hertz.

Your inclosed log of signal content is complete and correct as broadcast on that time and date.

KYKR AM is currently simulcast with KYKR FM, which is broadcast in stereo 24 hours a day, at 93.3 Mhz, with 100,000 watts ERP.

I have enclosed the latest issue of our news paper, and a bumper sticker for your collection.

Thank You

Randy L. La Blue
Chief engineer
