

P.O. Box 2588 • St. George, Utah 84770 • (801) 628-3643

Dear Radio DX'er:

Thank-you for your report indicating that you received our station on 4 Dec 1987 at time 6:00 p.m. Central.

We are pleased to confirm that you indeed received our station on that date.

We are a country and western format. Our hours of operation are 6:00 a.m. - 12:00 midnight. Our daytime power is 10,000 watts and our nighttime power is 250 watts non-directional.

Yours,

Eric Kehew,  
Chief Engineer

This confirms that

Carl Dabelstein  
8209 W. 78th St.  
Overland Park, KS  
66204

has received our broadcast.

*The Guymon, OK, station, KGYN, also operates on 1210 kHz.*
