Omaha, Nebraska.

August 30, 1967

Dear Mr. Dablestein:

This will confirm your reception of WEAM on August 28, 1967. We were signing on after our weekly shutdown for maintenance. We operate 24 hours daily, with 5,000 watts. We employ a three tower directional daytime, and four towers nighttime. Thank you for your report.

Yours truly,

G.W. Brown
Chief Engineer
WEAM
Arlington, Va.
