Dear Mr. Dabelstein:

This letter will serve as verification of the fact that you did indeed receive KHQ Radio broadcasting on 590 Kilocycles in the late evening hours up to sign-off time on January 21st, 1962. It's not so very often that we receive word of having been received from such a distance, and we hope you'll be able to bring us in often in the future.

Sincerely,

Dee Waymire
Chief Engineer
