Dear Mr. Dablstein;

This is to confirm that it was WJMT you were listening to on the morning of February 4, 1974.

In answer to your question, yes we have changed call letters from WXMT to WJMT. This was effective in July of 1973.

You were fortunate to hear us at that time of the morning since we operate on only 500 watts prior to sunrise.

Sincerely,

Wayne H. Smith
