Thank you for your reception report...

Enclosed is a reception verification card, a copy of our log for comparison with your reception report, and a coverage map for your collection.

The reports we received indicated that reception was made difficult due to programming by WNOX, unscheduled testing with tone by an unidentified station, and an unidentified station broadcasting in Spanish.

Our thanks to the membership of the National Radio Club for the detailed reports and especially to Carl Dabelstein of the NRC for coordinating the test. Listed below are verified reception reports received to date:
