CARL,

JUST A SHORT REPLY TO YOUR LETTER OF RECEPTION. YES INDEED YOU HEARD US ON THURSDAY MORNING THE 14 TH! WRTR IS AN AUTOMATED COUNTRY FORMATED STATION AND WE SIGN ON AT EXACTLY 558 EACH MORNING. WHAT'S REALLY ODD IS THE FACT THAT WE USE, DURING THE WINTER MONTHS, A PREDAWN OPERATING POWER. THIS IS AT THE TIME OF YOUR RECEPTION ONLY 500 WATTS. OUR DAYTIME POWER IS 1000 WATTS.

WRTR IS THE OLD 15Q WOTC-AM. WE CHANGED FORMATS AND CALL LETTERS ABOUT A YEAR AGO. THERE STILL IS WOTC-FM (Q-102) OPERATING ON 102.3 MHZ. AT 3 KW. ERP. THEY'RE OUR SISTER STATION.

SINCERELY,

LARRY FLESSERT C/E
