Dear Carl:

This will acknowledge your QSL letter of Jan. 2, 1963.

Thank you very much for the QSL. We are always interested in our DX coverage.

We were checking with the Frequency Monitoring Service at Lee's Summit Mo. We run monthly checks usually the first Tues. of the month.

We run 250 watts output from a Gates model 250-GY Transmitter, at 1450 kcs.

Inclose please find the coverage map requested.

Thank you again for the QSL, and if you hear us again please let me know.
