Dear Mr. Dabelstein
1419 So. 54th St.
Omaha, Nebraska

Dear Mr. Dabelstein:

This is to confirm your reception of KNOB on June 2, 1966,
at 11:22am CST.

After reading what you used for a receiver, I guess I'll junk
my wide-band broadcast receiver and 13 element FM Yagi Antenna.

Sincerely,

J.R. Banoczi
Station Manager.
