

June 3, 1988

Mr. Carl W. Dabelstein
8209 West 78th Street
Overland Park, Kansas 66204

Dear Mr. Dabelstein:

Thank you for your reception report of May 31, 1988. Our programming logs indicate this to be an accurate report.

WINK-FM operates on 96.9 MHz, with an effective radiated power of 100,000 Watts, from 833 feet above average terrain. Our studios and offices are located at 1412 Jackson Street in Fort Myers. The white building to which you referred in your letter house our corporate offices, as well as WINK-TV. Our transmitter is located on Route 31, 3 miles North of the Lee/Charlotte county line, in Charlotte County.

WINK FM is presently constructing a new tower, at that same location, which will raise our antenna to 1,350 feet above average terrain. WINK-TV will also utilize this tower for their transmissions.

Thank you for your interest in WINK-FM.

Sincerely,

A handwritten signature in black ink, appearing to read "Dick Parrish".

Dick Parrish,
Chief Engineer
WINK Radio Stations
