Dear Carl,

This letter is to confirm your reception of WRBA, BAY 96. After reviewing your listening report and verifying it against our stations logs we found that indeed the material listed in your letter was broadcast the night of July 22nd, 1989.

It was quite enjoyable to receive your letter and to know our signal had "skipped" into your area.

We are a Class A FM that plays adult contemporary music. The particular program you heard is an "oldies" show we carry Saturday night called "Dick Bartley's Rock and Roll Oldies Show."

I am Operations Manager/ Program Director and morning personality. I have been in radio for sixteen years and your interest in listening to distant stations is shared by my interest in radio stations.

Thank you for your letter and good luck on other DX receptions.

Sincerely,

Chris McKenzie, OP MAN/PD, WRBA, BAY 96.
