Dear Carl:

A check of our station logs verify your reception of WYUU, 92.5, on June 3rd, 1990, at 10:30 a.m. Eastern time.

WYUU broadcasts with 50,000 watts from a 500 foot tower in Seminole, Florida's West Coast approximately half way between Clearwater and St. Petersburg.

Please accept this letter as confirmation of your long distance reception.

Sincerely,

Bill Elliott  
Chief Engineer
