Mr. Carl W. Dabelstein
9404 Sante Fe Lane
Overland Park, Ks 66212

Dear Mr. Dabelstein:

Thank you for your reception
query.

Enclosed is a copy of the log page
for the June 3, 1990 time period. Our automation
was out of commission during that time period and
therefore the Whidby Jewelers spot may have run prior
to the scheduled time. The weather would have followed
which would have ended with the "bright and easy on
Joy-Fm" tage line.

Sincerely,

A handwritten signature in black ink, appearing to read "David G. Handy", is written over the typed name.
