Dear Carl,

Please let this letter confirm your reception of KLIO on Sunday, June 12, 1988.

Often I receive letters from DX'ers that have listened to KLIO all around the midwest. I have confirmed reception from as far away as West Palm Beach, Florida.

I appreciate your letter and wish you continued pleasure DXing the FM band.

Best regards,

A handwritten signature in blue ink that reads "George Corso".

Chief Engineer, KLIO-FM
