Dear Mr. Dabelstein,

This letter is to verify your receipt of KRCB-FM on July 14, 1971. Your information logged does agree with our records.

True, our coverage area does extend past Omaha, but I am always interested in hearing from DX'ers, nevertheless.

Thank you for your interest in KRCB-FM, and if I can be of any more help, please don't hesitate to write.

Sincerely,

James C. Droege
Chief Engineer, KRCB AM & FM
