Dear sir:

Thank you for your interest in KRIT-FM radio. We were very much pleased to hear from you in Omaha. The Great Western Railroad Main line from the Twin Cities to Omaha comes through Clarion and lists the distance from Clarion to Omaha 164 miles.

We have a 5 bay Jampro Antenna system 149 feet high in down town Clarion. We have a power of 48.7 thousand watts and started operation May 18, 1964.

Should you be interested...we have received letters from such points as Kansas City, Missouri, Duluth, Minnesota and River Falls, Wisconsin.

Thank you again for writing.

Truly,

Jerry McLaughlin
