Carl W. Dabelstein  
8209 West 78th Street  
Overland Park, KS 66204

Carl,

In answer to your reception report, this is to confirm that what you heard was indeed what we were playing.

It is always interesting to hear reports such as yours. I will be keeping your letter on file. I have also enclosed a bumper sticker from our station.

Sincerely,

  
John Aughney  
Corporate Engineer
