

February 12, 1991

Dear Carl,

This letter is to serve as confirmation of your reception report of WGBQ on February 8, 1991. The information in your report is an accurate representation of our programming at that time on the date.

Yours is the only letter so far reporting DX reception on that date. As an amateur (KA9VHE) and periodic DXer myself, I always enjoy getting reception reports. Thanks for your letter and good luck with future DX.
