Merriam, Kansas 66202

July 2, 1964

Mr. Carl Dabelstein
12524 C Street
Omaha 44, Nebraska

Dear Mr. Dabelstein:

This is to verify that KCJC-FM was on the air at 6:50 to 7:05 on June 29, 1964. We were broadcasting on the 98.1 megacycle band at 75.6 ERP.

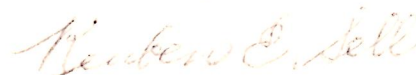

The program consists of recorded music to 6:59 then there is a station ID. We have an ID similar to the one noted in your letter on a cartridge with others. There is then five minutes of news and then back to music.

We greatly appreciate your report of reception to add to our area coverage reports. Recently we received a report from Mr. Beck of Becks Refrigeration Company in Council Bluffs.

We are enclosing our coverage map.
