Carl W. Dabelstein
8209 West 78th Street
Overland Park, KS 66204

Dear Mr. Dabelstein:

It is a pleasure to acknowledge your reception report and I am pleased to tell you your report of KRPS-FM on May 4th from 7:55 a.m. to 8:10 a.m. is accurate. You received KRPS-FM on our first day of broadcasting at full power: 100 KW ERP operation. KRPS-FM is a new fine arts public radio station licensed to Pittsburg State University. Its format is similar to that of KANU-FM in Lawrence, KS.

Jan O'Connor, KRPS Director of Development, has asked me to enclose some informational material on KRPS and a contribution card, should you find the KRPS programming pleasurable.

Sincerely,

A handwritten signature in cursive script that reads 'Keith Retzer'.

Keith Retzer
