Sir:

This will serve to confirm your reception report of KSAJ-FM on the morning of June 16th, 1987. the actual name of the news voice was "Bebermeyer" and the spot announcement was for "Aslings Clothing"; but yours was close enough.

I have in the past confirmed another reception report for KSAJ-AM on 1560 KHZ. As a matter of interest, you might like to know we are changing the call letters of KSAJ-AM back to KABI as it was 2½ years ago.

With best regards...

Charlie Allen,
