Dear Sir:

I am pleased to receive your reception report of KTPK on September 1, 1975. Our transmitter is a Sparta 625A. The ERP is 100,000 watts horizontal and vertical. Programming is handled by a Schafer 903 automation system. All program audio is Dolby encoded for greater noise reduction and dynamic range.

Thank you for your interest in KTPK.

Sincerely,

Don Ruff
Chief Engineer
