Dear Mr. Dabelstein:

This will acknowledge your letter-form of reception of KVOE-FM on the morning of June 28, 1967.

It is rather surprising to find you listening to a portion of the programming of this station in your locality. However from the information you have noted this is the programming which was broadcast on this segment of that day...our timing does not exactly match with yours but undoubtedly it's the difference between clocks.

We are happy to verify your reception of KVOE-FM.

Cordially,

Ed J. McKernan, Jr.
