Dear Sir:

I am in receipt of your letter of June 9, 1987 in which you stated your reception of our station. Our Chief Engineer is based in Emporia and is on Contract to us. I am taking the liberty of answering your letter. I am the wife of the General Manager of KZOC. I work on-the-air in the afternoon. I also do the payroll, handle the mail, clean the station, and anything else that needs to be done.

Our Station is a small Class A FM that is owned by our oldest son, my husband, and a friend. Our son runs the Class C station that we own in Central City, Nebraska. We are a regional station covering the East Central area of Kansas.

My husband & I can get us almost to Olathe on our car radio. The last time we went to a Royals game, we picked us up as we were leaving the parking lot of the Stadium.

Thank you for writing to us.

Sincerely,

Sylvia a. McCoy
