Dear Carl:

This is to confirm your reception of Cajun Lovin' Radio KJEF-FM on 92.7 MHz on 17 July 1987 on your car radio driving home from work.

I wish the station would get out like that all the time, Hi!

I'm a ham, too. W5DKA. Been one since 1932. Currently on 75 meter phone. Using an ICOM 745 and a G5RV antenna, SWR of 5 to 1....needless to say, I'm now working on building a little Antenna Tuner.

Best Regards

Clovis L. Bailey, C.E., KJEF-AM-FM.
