Dear Carl,

I am pleased to confirm your reception of KRVS-FM on 28-June-1990.
Your listing agrees with our program logs for that date.

For your information KRVS operates at 100kW ERP with the center of radiation at 450 ft. AGL. Our studios are located on the campus of the University of Southwestern Louisiana in Lafayette, and the transmitter site is 1.5 miles northeast of Duson Louisiana.

We are currently broadcasting with a CCA FM-25,000E transmitter and a Continental 802A exciter. Audio processing is an Orban 8000A Optimod. Our STL is a TFT 8300 composite unit.

Thank you for letting me know about your reception of KRVS. Please let me know if there is any other information you would like to have about my station.

Good Listening,
