Overland Park, KS 66212

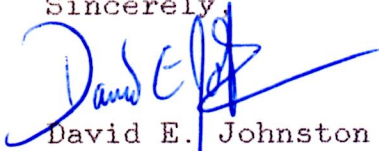

June 11, 1990

Dear Mr. Dabelstein,

Your letter caused a buzz among station management. Maryland to Kansas is a heckuva E-skip.

I've enclosed a program guide and bumper sticker for you, just in case you should be poking around the FM band again. Thanks again for the note. It always nice to know that people are listening.

Sincerely,

David E. Johnston  
Program Director, WCVT
