Dear Mr. Dabelstein:

I am pleased to confirm your logging of KFAM FM, 104.7 mc. from 9:13 to 9:25 A.M. the morning of July 2, 1964. Your 9:13 logging of Security...was security printers of St Cloud. Then at 9:17....Wyman Jewelers commercial was ran which verifies your logging.

Enclosed find program schedules clipped from paper and an older coverage map, not too accurate. At present we are running 20 kw. erp with center of the radiator at about 488 ft. Have regular listeners in Watertown, S.D., Mankato, Minn., Worthington, Minn. and Duluth, Minn. Also get response from Wisconsin, whenever a promotion is held.

Thanks for the report, these are interesting to me as I am also the station technician.

Sincerely Yours

Robert Seibert
