Dear Mr Labelstein:

This is to confirm that the program you heard and described on July 14, 1971 was ours.

It may interest you to know that we also received a letter from Connecticut that our signal was received there on the twelfth at about the same time of day as you received it the fourteenth.

Thank you for sending us the report.

Very truly yours,

A handwritten signature in blue ink that reads "Bill Hummcutt". The signature is written in a cursive style with a long, sweeping underline.
