June 16, 1987

Carl W. Dabelstein
8209 West 78th Street
Overland Park, KS 66204

Dear Mr. Dabelstein,

Thank you for your reception report. This letter is to confirm your reception of KFRX from 10:55 to 11:00 AM CDT on June 13, 1987.

KFRX has an effective radiated power of 100,000 watts using a 12 bay antenna on our 500 foot tower.

We broadcast 24 hours a day, 7 days a week. KFRX uses the phrase "X103" to identify both our call and frequency.

Good luck with your future receptions.

Sincerely,

William Hohnstein KØHA
Chief Engineer
