Omaha 44, Nebraska

Dear Carl,

We appreciate your reception report of July 28, 1964. This letter is to confirm reception of KJSK-FM from 5:50 - 6:15PM C.S.T. July 28, 1964.

Originally KJSK operated on 96.9 mc, however local interference problems forced us to change to 101.1 mc. Presently we begin broadcasting each day at 10:55 AM and conclude at 9:35 PM. Beginning September 1, 1964 broadcasting will begin at 7:00AM and continue until 9:35PM.

Schedule of programs is presently unavailable.

Sincerely

Harold A. Mauch W5MXD
Chief Engineer
