Dear Carl,

Received your reception report this afternoon.  
According to our log your NRC form is correct.  
Glad you're coming to town...give me a ring when u  
arrive. Our OCA 20kw xmtr feeds a very efficient  
dual-polarized stack which gives us 100kw erp.  
KLIN-FM is totally automated with the exception  
of our Sunday nite "Musical Masterworks" program  
done live.

Glad to see us 5x5 into Omaha!
