Dear Carl;

I am pleased to confirm your reception report of 6/8/89. I have always been interested in sporadic E-skip but don't "find" as much of it now that I have a digital tuner.

Enclosed is an FM-88 sticker and postage. I am interested in a brief list of the other stations you received from the upstate New York area. If I can help you de-cipher any station call signs, slogans, or mailing addresses from our area, please forward the clues.

Sincerely,

Nick Marasco
Chief Engineer
