Dear Carl:

I recently recieved your letter with details of your reception of KKWK radio on June 19, 1989. According to the details you supplied in your letter, this was our regular scheduled programming that you recieved.

I would like to appologize for the tardiness of this response and to say thank your for your radio monitoring.

I hope to hear from you again in the future with another report of reception.

sincerely,

Jerry Floyd
