Dear Mr. Dabelstein,

Thank you for your letter of May 31, 1990. We at 96 WAVE FM appreciate your contacting us regarding the reception of our signal in Kansas.

I can confirm the broadcast of the portion of Dave Rossi's show. That same night Dave received a call from someone else from Kansas. We only wish you had gotten an Arbitron diary!

Enclosed is a bumper sticker. Again, thank you for writing.

Sincerely,

Lawrence O. Thompson
