Dear Mr. Dabelstein:

Per your letter of August 16, 1988, **you're right, it was us
you were listening to** on the evening of June 9th.

Do you suppose we might arrange to have you become a diary recipient during the next Arbitron measurement of the Charleston market? That would throw their computer into "TILT" for sure.

Thank you for calling this amazing reception to our attention.

Sincerely,

CLASSIC HITS 102.5, WXLY!
