Dear Mr. Dabelstein:

Thank you for your letter of August 5.

You were indeed listening to our station. Our present tower is only 165 feet high and we radiate 38,000 watts. About September 1 we will be broadcasting from a 1900 foot tower with 100,000 watts.

I would appreciate hearing from you at that time if you are receiving us.

Cordially,

Foster Hanson  
Manager
