Dear Carl,

It's my pleasure to confirm your reception report for the afternoon of July 7th, 1990.

According to your report, all of the elements (music, announcements for specialty programming, commercials, etc.) ran at the designated times.

I hope you enjoyed listening to our station, and it's nice to know we have an occasional listener in the great state of Kansas!

I'm enclosing a "FOX 92" bumper sticker for you, and I hope you have a chance to listen to us again!

Sincerely,

A handwritten signature in cursive script that reads "Mike Preston".
