Mr. Debelstein:

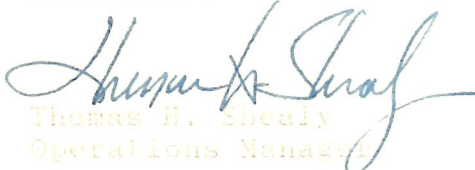

I take it from your call you are an amateur radio operator. Hence your request for written verification of reception.

On June 19th, 1989, WRR FM 101.1 was broadcasting concert music under the program title of WRR Evening Concert. Evidently, the reception was breaking up some what, as the evening portion of the title became unclear. The time verification helps, as on Mondays from 8p -10p we broadcast the Evening Concert.

I hope this will serve as sufficient confirmation of your receiving our signal in Kansas.

Thank you for writing, and if you experience further ground wave aberrations please let us know.

Cordially,

Thomas H. Shealy
Operations Manager
