

5/13/88

Dear Carl,  
Thanks for the reception  
report of 7/14/87. That in  
fact was us. I hope this  
card will suffice as a QSL  
for your collection. Sorry about  
the delay in response. We have  
gone thru major construction here  
and everything sort of got  
shuffled from one corner to  
another.
