Dear Carl W. Dabelstein,

This is to confirm your radio reception of KDRK in Spokane Washington. It was interesting to hear that you were able to receive KDRK in Kansas. As you know FM radio stations are not known to travel great distances because they operate under the "line of sight principle". Normally AM stations bounce around on the "skip". Anyway glad to hear that you received us and I wish you continued luck and good fun on future listening.

Sincerely

A handwritten signature in blue ink that reads "Tom Sherry". The signature is fluid and cursive, written over a light blue background.
