Mr. Carl Dabelstein
12524 "C" Street
Omaha 44, Nebraska

Dear Mr. Dabelstein:

We wish to confirm your report of reception of WRIG-FM on June 25, 1964. All items reported broadcast by you were transmitted at the given times.

I am sorry for the delay in answering your letter. I was on vacation at the time your letter was received, and I had assumed that our engineering department had replied.

Yours truly,

Handwritten signature of Duke Wright in blue ink.

Duke Wright
Chief Engineer
