Dear Mr. Dabelstein:

This is to verify your report of reception of W-RIT FM on June 26, 1964 from 6:43 AM to 6:48 AM, C. S. T.

Your report checks with our Station Log for that period.

We sincerely regret this delay in sending this verification to you; but, checking back, can find no record of receipt of your report at that time.

As a token of appreciation for your co-operation in sending us your report, I am sending you coverage maps of our station plus copies of our current (Top 40) "Silver Dollar Music Survey" sheets.

Thank you for your interest and co-operation.

Sincerely,

LeRoy Wolniakowski
