Dear Mr. Dabelstein:

Thank you very much for sending us a reception report and this will confirm that report of June 23, 1964.

The past several weeks we have received many cards and letters ranging in area from Nebraska to New York to Cuba (our Navy base) so our signal has really been skipping about the country and we are delighted to hear from our "dx" viewers.

Again, thanks for taking time to write and may I wish you many hours of fine entertainment from the television industry.
